

Moving ahead of the energy curve

The world's largest offshore wind energy conference and exhibition

29 November - 1 December 2011
Amsterdam, The Netherlands

Book your exhibition space now

Generate new business leads and move ahead of the energy curve

Offshore wind is vital for Europe's future. As a strategic, domestic and largely untapped resource, it is one of the key technologies for achieving the energy and climate goals of the EU.

Join us at the world's largest dedicated offshore wind energy event and learn more about its enormous potential. Meet the key players shaping tomorrow's energy market.

This event is organised by the industry for the industry and represents real value for money: every euro you spend on this event is put to work promoting wind energy.
